Skills

I have a variety of skills that relate to the Television industry, which include experience using both Mac and PC systems, experience with DSLR, Panasonic, Canon, ENG and Studio cameras, and working knowledge of Broadcast Pix switcher. I also have my certification in Adobe Premiere Pro, and experience with Photoshop, Audition, and After Effects.

Technical Experience

Greenhouse Church South Florida / Technical Overseer and Assistant 2018 - PRESENT

I began volunteering with Greenhouse Church South Florida in 2017 as camera operator. Over time I have mastered various other positions such as tech set up and Propresenter operator, working my way up to Tech Overseer and Assistant. I assist director Kevin Prescott in supervising the team before, during, and after service in setting up tech, running worship, recording the sermon, and in breaking down equipment.

MTCTV / Producer

2017-2018

From 2017 to 2018 I produced McFatter's weekly show, "The Eye" by establishing crew positions, assigning news stories, directing the show in the studio, and editing the final product. Along with producing, I was able to work the various positions required to create "The Eye", including (but not limited to,) audio technician, technical director, writer, and anchor.

MTCTV / Crew Member

2017-2019

Along with acting as producer, I have been a crew member for all of McFatter's shows: its daily show, "McFatter Minute", weekly show "The Eye" and quarterly show "The Surge". I have had the opportunity to write, edit, film, and anchor for all of these shows, as well as working various studio positions for "The Eye".

MTCTV / BCAA Volunteer Work

2017-2018

MTCTV provides its members with the opportunity to volunteer with the Broward County Athletic Association as camera operators. During my time volunteering with BCAA, I was able to film swim meets, and volleyball and football games.

Education

William T. McFatter Technical High School

2015-2019

I am currently working towards earning my high school diploma as a senior at McFatter. I am enrolled in the Television Production vocational program, and have a weighted cumulative GPA of 4.88 and a cumulative GPA of 3.98.
